

PATIENT SURGE & TRANSPORT

MegaMover™ Plus

MM-4080 10/case

- Each 40" x 80" unit weighs only one pound
- 6 handles on each side provide for ergonomic lifting and add to functional width of the sheet
- Gray/Black color decreases visibility where security is vital
- Accommodates standard backboards for added patient support during transport

A mere 0.75" thick!
Less than the width of a silver dollar.
