

# RESPIRATORY PROTECTION

## Millennium® Gas Mask

A Hycar version of the reliable military-style gas mask (MCU-2/P Mask, used by the U.S. Air Force in Desert Storm) that combines high performance, customized fit, comfort, and cost efficiency.

### CBRN Canister for Gas Mask 10046570

## FR-7800B

3M Full facepiece respirator assembly certified for CBRN applications when used with 3M canister FR-15-CBRN.

## 3M™ FR-64 Canister

As a negative pressure system, the 7800S full facepiece can be used with FR-64 for most military and industrial materials

## 3M™ FR-M40

The M-40 Full Facepiece is used by US Armed Forces all around the world. It has been modified by 3M for easier breathing and is now available with 3M canister FR-15-CBRN.

## 3M FR-15-CBRN

3M Canister that meets NIOSH's Chemical, Biological, Radiological, Nuclear (CBRN) Standard for full facepiece air-purifying respirators.

Shelf life of 5 years.

## 3M FR-M40-3

Quick Doff Hood

## Tinted Lens Outsert

## Advantage® 1000 Riot Control Gas Mask

A clean, simplified respirator with Hycar facepiece (based on proven facepiece design developed for the U.S. Armed Forces) that's up to 40% lighter than conventional full-face respirators and gives high performance, customized fit, comfort,

## APR Adapter

MSA's APR adapter provides firefighters with the versatility they need to perform all tasks at the fire ground with one common facepiece. From fire-fighting to overhaul to homeland security, firefighters can switch from a positive-pressure facepiece to a negative-pressure air-purifying respirator simply by engaging the APR Adapter.

## Breathe Easy™ Butyl Rubber Hood Sys- tems

These systems reduce weight without compromising performance. The powered air purifying respirator (PAPR) is ideal for First Responders.

## Gas Mask/Respirator Bags

#430BK Color: Black

Top Line

Top of the line Gas Mask/Respirator Bag. Easily accommodates all types of masks & respirators. Provides the responder with a convenient method of transporting the device leaving the hands free for additional items.

DIMENSIONS:

10½" h x 7½" w x 6" deep

## ThermoBak® 2L Black

Durable and comfortable, CamelBak's ThermoBak® 2L will be your most relied on tool in the field. In fact, this system has proven itself with every branch of the US Military. Offering 70 ounces (2 liters) of clean water on command, you'll be able to push harder and longer. And when it is time to refill, external access keeps your downtime to a minimum.
